Dublin Latchkey Programs

Mission Statement

The mission of Dublin Latchkey is to meet the needs of children, families and schools in the Dublin community. We strive to ensure that all children in our community have a safe and educational environment, which provides developmentally appropriate activities in a before-and after-school environment.

Program Goals

- Students participating in academic support and enrichment activities will show increased success and academic achievement as demonstrated by improved homework completion rates, course grades and increased engagement in learning.
- Students participating in social skills and youth development activities will show improved social and emotional wellbeing by improving behaviors, improved relationships and community consciousness.
- Students will develop and improve their homework skills to reinforce classroom content.
- Students participating in physical, health, and recreational activities will show improved nutrition, health practices, physical development, leadership and team building skills, and self-confidence as demonstrated by increased physical activity, enhanced nutrition and wellness.
- Developing effective working relationships with families, schools and the community will result in increased parental/school involvement, improved coordination of existing programs and services, school community support, improved program quality and increased ability to meet the needs of youth and families.

Program Curriculum

Elementary

We have 12 elementary school site locations that are uniquely developed within a standard curriculum structure. Our program's focus differs from other programs in it's foundation is educationally based rather than recreationally. Most courses and activities are elective with only a few compulsory events. Weekly educational themes are selected to guide programing for activities. Each teacher provides a weekly lesson in math, sciences, cultural studies and cooperative learning. Every lesson is carefully intertwined with fun activities that engage the students while educating. In addition, once a week all students will participate in reading for at least 20 minutes.

Throughout the year we have a sundry of events, cultural celebrations and guest speakers. During our winter months we provide educational course work involving a variety of topic such as robotics, sign language, Young Rembrandts and Science, Technology, Engineering and Mathematics (STEM). With the technology be one of the leading areas of development, we have made STEM education one of our primary curriculum focuses.

Middle School

The REACH curriculum focuses on teaching middle school students to be more efficient students, develop competent and effective communication and social skills, and engaged community citizens. Although the curriculum is diverse in content, we do have two main branches in our lesson: STEM and homework/HOPS (homework organization and planning). More specifically, the educational modules that will be taught are as follows: Study Skills and Test Taking Skills, Problem Solving Techniques, Presentations Skills, Service Learning, Technology, Social Skills/Bullying Awareness/Team Work and Life Skills.

Homework Center

Dublin Latchkey provides basic materials, designated space, an Educational Coordinator to assist and the opportunity to do homework daily. The Educational Coordinator facilitates communication with parents and classroom teachers about assignments, but often it falls on the student to initiate its completion. If you have any questions or need assistance with your child's homework, please contact your school's designated Education Coordinator.

Community Engagement

As a non-profit dedicated to the education of children, we feel strongly about teaching students the roll of a community and we encourage our students to be responsible contributing members of one's community. At each site, students are asked to participate in activities or tasks (such as running daily announcements or snack helpers) that benefit their own Latchkey community. In addition, we select local and national charities to raise awareness and support. The students learn about a needed cause and how they can make a difference.

Healthy Bodies; Healthy Minds

Dublin Latchkey programs promote health living habits through its programing and education.

Food and Nutrition

A healthy afternoon snack containing two (2) out of the four (4) food groups is provided at each of the sites. Each school site will follow a health and wellness initiative of including at least three (3) fruits/vegetables in their snack schedule each week. Current dated menus for the entire week are displayed at the parent table and are available with your schools monthly newsletter.

Alternative Snacks- If a child has a special diet restriction; parents may bring in snacks to be stored at our school pantry. State licensing requires the additional snacks include at least two (2) of the four (4) basic food groups. Those food groups include meat/meat alternative, bread/grains, fruit/vegetable and dairy.

Food Allergies- we do not serve any food item with peanuts or peanut by-products. However, please notify your teacher if your child has an allergy for accommodations.

Special Events- Any food item contributed for any snack time, special event, party or celebration must be prepackaged. If a child has a serious food allergy or limitations on their diet, parents are required to furnish a nutritious snack on a daily basis.

Breakfast- A space will be designated for breakfast if you wish to send it with your child.

Physical Activity

Outdoor Physical Activity

Dublin Latchkey believes that fresh air and outdoor exercise are a part of a healthy lifestyle. School sites will provide daily outdoor play when weather and safety conditions are suitable. **Students should dress appropriately for the weather.** Dublin Latchkey will follow Dublin City Schools guidelines for going outside to play. (All the following temperatures include the wind chill effect.) For temperatures below 25 degrees Fahrenheit, there will be no outside play. For temperatures 26 degrees Fahrenheit and above, there will be outside play. Please provide sunscreen for your child if you are concerned about skin protection when the sun is out.

Indoor Physical Activity

Indoor gross motor play will be provided in the commons area or gymnasium if weather conditions are too hot, too cold, raining or poor air quality. Please make sure your child has the appropriate footwear such as tennis shoes to participate. Students' wearing heels, flip-flops and sandals will not be permitted to participate due to safety. In addition to our daily physical activities, we offer special courses, such as Jump Bunch Programs, yoga and Zumba, throughout the year to keep our students engaged and moving.

Program Limitations

- Our program provides a 1-12 teachers to student ratio. We are unable to provide 1-1 care.
- Our Education Coordinator and homework center provides a place and assistance for academic work; however, we are unable to provide individual hourly tutoring.
- We are unable to have unscheduled parent teacher conferences during latchkey hours as it compromises our students' safety.
- We are unable to purchase snack specific items for individual children.
- Due to our program structure and location in the school building (Multiple direct exits to the outdoors), we are unable to provide care for children who hurt themselves, physically hurt other students, and physically hurt teachers, who flee the commons area or bully other students.

Staffing and Supervision

Education and Background

School Site Staff

One-third of Dublin Latchkey teachers have degree's in childhood education and are licensed k-12 teachers. Nearly 70% of our staff are college degreed or have at least two years of course work. All of our teachers have experience and education specific training of developmental education. All staff members receive state certified courses in child abuse, first aid and communicable disease. The Site Directors and Assistant Teachers attend a minimum of 8 hours yearly educational professional development annually in content areas of child development, nutrition composition, discipline management, curriculum planning,

music, art, administration and parent/family engagement. At least two (2) teachers at every school site is CPR certified. Every Site Director attends a six (6) hour workshop provided by the Ohio Department of Job and Family Services on current state Day Care Licensing laws. All teachers hired must complete a Bureau of Criminal Identification and investigation (BCII) and Federal Bureau of Investigation (FBI) background check. The BCII check is required to be updated every five (5) years.

Program Director Staff

Dublin Latchkey recognizes that our programs success is depended on our staff's support and dedication from our Program Directors. All of our directors have decades of experience in the education field and with organization. They have been selected based on their curriculum vita, dedication to quality, Dublin Community involvement and area of teaching credentials. We have education specialist in elementary and middle school curriculum, special education, reading intervention, the arts, health and physical education.

Teacher to Student Ratio's

The teacher/pupil ratio shall never exceed 1:18 and the maximum group size is 2:36. In an effort to provide the best possible program environment, Dublin Latchkey strives for a 1:12 teacher child ratio. Dublin Latchkey operates as a group setting and does not provide one-on-one care. The maximum group size is limited by state licensing.

Parent Involvement and Participation

Parent participation

Any parent or guardian of a child enrolled in our program shall be permitted unlimited access to their child's program during all hours of operation for the purposes of contacting their child(ren), evaluating the care provided by our teachers or evaluating the premises. A parent of a child enrolled at the center who is not the child's residential parent shall be permitted unlimited access to the center and be afforded the same rights as the residential parent unless there are court documents limiting access and conditions of the nonresidential parent. Upon entering the premises, the parent, custodian or guardian shall notify the Site Director of his/her presence.

If you wish to contribute your time or talent, please notify the appropriate school site. Your participation enhances the program.

To ensure the safety and well being of the children at Dublin Latchkey, parents must refrain from confronting other children. We understand that conflicts need to be addressed, but please let any concern be addressed by the Site Director or other staff member. Parents and staff members must treat each other with respect. All parties' will conduct themselves in a professional manner.

Parent Feedback and Annual Survey

Our mission is to serve the needs of the Dublin Community and we depend on parent feedback for continual growth and development of our programs. Please contact us with any suggestions, ideas or concerns. We have an annual anonymous 10 question survey we send

out via email link; however, you may fill a survey at anytime as the link is on our websites front page.

Parent-Staff Communication

Dublin Latchkey staff will strive to engage in daily communication with parents as well as providing any information for up coming events and different activities with newsletters and emails. During Latchkey hours, we are unable to meet for unscheduled conferences due maintaining safety of our students and potential inappropriate context of the conversation.

If a parent has a concern, it should first be addressed at the individual building with the Site Director. If a resolution has not been reached, parent may contact the program Director for that building.

with Disability Act of 1990, 104 Stat. 327, 42 U.S.C. 12101 et seq. We will make reasonable accommodation and modifications to our programs as long as it does not fundamentally alter our structure or puts your or other students safety in jeopardy. If your child has specific needs of accommodations, please make an appointment with the program Director prior to your start date.

2. Notification of any medical, emotional or physical condition is required before enrollment into Dublin Latchkey. This information is needed to adequately provide for the health, safety and welfare of the students in the program. The program Director will arrange a conference time at your convenience, if necessary. Failure to disclose medical, emotional or physical conditions could lead to dismissal from the program.
3. All children must be toilet trained without the use of training pants or other aids.
4. Children enrolled in only one end of the day cannot exchange an a.m. session for a p.m. session and vice versa.
5. The State of Ohio Department of Job and Family Services Child Care License is posted in the Latchkey area for review. It specifies the number of children the program is licensed to serve. Forms from the health, building and fire departments and copies of the program's licensing record for the current licensing period as well as inspection reports and any complaints that may have been lodged are on-site and are located at the parent table. These may also be obtained from the Ohio Department of Job and Family Services. Available spots must be confirmed through the main Latchkey office. You will then be given a "start day" at that time and may begin attending on that date. If space is unavailable at the time of registration, there may be a waiting list option. When space becomes available, contact will be made for continuing enrollment and start dates.
7. Registration for the following school year is only available to family's who's balance is paid in full.
8. If payment is not received by the 15th of the month, your child may not attend until we receive payment, unless an arrangement has been made with Terrie Reid-Roane. Late payments can be grounds for suspension or dismissal from the program.

Tuition and Fee Policies

1. The first month's tuition and yearly registration fee are due at the time of registration. The annual cost of childcare is divided into nine (9) equal payments: August/September – May/June. An annual registration fee provides funds for insurance payment and yearly start up supplies and expenses.
2. There are two (2) categories of students: full-time and part-time. Full-time students attend up to every day during the month for each session they are enrolled. Part-time students

attend 12 times or less during the month for each session they are enrolled. An additional charge of \$12.00 per morning and \$15.00 per afternoon will be assessed to those exceeding 12 visits. Dublin Latchkey, Inc. offers a limited number of part-time spots at each school site, which are filled on a first come, first served basis. Attendance for part-time students during the months of August/September and May/June are combined for a total attendance of 12 times per session enrolled. Example: Your child may attend 12 times or less for May and June combined. If you exceed 12 times there will be an additional charge of \$12.00 per morning and \$15.00 per afternoon session. Parents of part-time students will be given a monthly attendance schedule to fill out and return. It is important that this is done on a regular basis so that your site can plan for the days your child(ren) will be in attendance.

3. Tuition will only be pro-rated if the student's initial enrollment in the program occurs during the first month of your enrollment. Tuition cannot be prorated for any other reason, including calamity days, leaving the program, illness or family vacations. Our fee structure is 9 equal payments over the course of year, independent of the number of program days in a calendar month.
4. One (1) change in enrollment status is allowed each school year. Any other changes to a student's enrollment status will result in a \$30.00 fee. This fee does not apply to waiting list status changes. Children enrolled in only one end of the day cannot exchange an a.m. session for a p.m. session and vice versa.
5. Failure to notify your child's program of any afternoon (p.m. session) absence will result in a fifteen (15) dollar fee. Notification can be conveyed directly to Dublin Latchkey personnel, by a written note given directly to a Dublin Latchkey teacher, a note written in the proper section of the sign in/out book, sending an e-mail to their Dublin Latchkey school site or by calling the Dublin Latchkey, Inc. school site cellular telephone number listed on the front page of this Parent Handbook. Telephone notification must be done no later than 3:00 p.m. The safety of the children is Dublin Latchkey's priority. A search process is in effect when a child does not arrive as expected and does not end until the child is found. The process consists of checking and rechecking the site's voice mail messages, checking with the school office, searching the classroom, halls and the restrooms. Parents and/or emergency designees are contacted as well. This is a stressful process that removes one (1) teacher from the entire group of children. For the safety of your child and the other children in the program, please call your school site's voice mail when your child is absent. Your consideration in avoiding this time consuming and disruptive process is appreciated.
6. Planned absences from Dublin Latchkey care, up to one (1) month in length, will pay half of the full time fee in order to reserve their space at their site for the following month. This fee must be pre-paid at our main office, 5970 Venture Drive, Dublin, Ohio 43017 and is non-refundable. Spots will be held for one (1) month only per school year. This is a one (1) time only occurrence. If the program is not full, only a re-entry fee of fifteen (15) dollars is charged. In either case, the Site Director must be notified. If the absence is less than a month, the regular fee
7. Registration and initial payment fees are NON-REFUNDABLE. Exception: If the child had been removed from the Dublin City School District, and we are notified in writing by the child's new school by August 1st, the initial payment fee may be refunded. Notification must be on the new school's letterhead. **REGISTRATION FEES ARE NON-REFUNDABLE IN ANY CASE.**
8. A thirty (30) dollar charge is assessed for a returned check. After one (1) returned checks, payment **MUST** be made through Electronic Funds Transfer (EFT). Dublin Latchkey, Inc. will

require that you enroll in this service. Cash is NOT accepted at the school site but will be accepted at our administrative office.

9. Children may not be signed in before 7:05 a.m. Children need to be picked up by 6:00 p.m. Beginning at 6:00 p.m., you will be charged \$1.00 per child for every minute that you are late. If you or your emergency designee has not picked up your child by 6:25 p.m., the police and Franklin County Children's Services may be contacted. After two (2) late pick-ups, a conference will be held between the Director and the parents. It is at the Director's discretion when a child will be dismissed from the program due to continuous late pick-ups, and such dismissal may occur after two (2) late pick-ups.
10. If payment is not received by the 15th of the month, your child may not attend until we receive payment, unless an arrangement has been made with Terrie Reid-Roane. Late payments can be grounds for suspension or dismissal from the program.

The permission slip indicates the child's name, nature of the activity, location of the activity, arrangements for transporting children to and from the activity, time period for which permission is given, the starting and ending time of the activity and parent or guardian's signature and date. Arrangements must be made for the child(ren) to be accompanied in and signed into the Dublin Latchkey program area upon arrival.
5. **NO** child is released to anyone other than his/her parents or designees. If the person responsible for picking up the child is not on the emergency list, it is acceptable for the parent to leave a message at the child's site location indicating the person picking up the child that day, write a note to the teacher or communicate to the teacher in person. A photo ID will be checked by our staff of all persons who pick up the child other than the parents/guardians.
 6. Parents/Guardians that have custody of their children will be allowed to designate others to pick up their children. If there is shared custody between parents, either parent will be allowed to designate others to pick up their children. Personnel Property Policy

Students may bring personal property to Latchkey to share with friends and use during that time. Dublin Latchkey takes no responsibility for lost, damaged or stolen items. Each school site does have their own policy regarding personal items and when children are able to use

them. Parents are encouraged to clearly mark children's belongings in order to prevent confusion and misunderstandings.

Technology Policy

1. Dublin City Schools has banned students from bringing personal electronics to school. As a general policy we discourage students from bring personal electronics from home as our programs aim to foster the development of social and academic skills. Custody Arrangements Policy

It is the mission of Dublin Latchkey to be a support to families and to promote positive development for children. We recognize that many families are in transition and have experienced divorce and separation. In order to provide the best possible care for your child, who is our main priority, we feel that it is imperative that we be able to maintain good relations with all the significant adults in his/her life. If this is not possible, your child or children may be dis-enrolled. In the event of a difficult situation, we ask that you make an appointment to meet privately with the Site Directors in order to discuss any matters of importance in relation to the divorce/separation and any other issues that may help us in the care of your child. It would be helpful to discuss the child's general feelings as you see it so we may be appropriately responsive to your child when he/she is with us. In an effort to minimize situations which may be uncomfortable for you, your child and our staff, we ask that parents refrain from talking about custody issues, visitation disputes and problems with, or talking negatively about the child's other parent in front of the children. Please note, we cannot deny a parent access to their child upon the word of the other parent unless we have a copy of a court order stating that this is the case. Once again, it is the child's well being that is our main priority and we need to be able to maintain good relations with both parents.

The parents/guardians are responsible for providing the most current copy of legal documentation concerning custody arraignments and court ordered access for each child. Latchkey will not deny any parent access without the most recent court documents.

Parents with joint custody are required to agree prior to returning this paperwork to Dublin Latchkey **on all persons listed** as persons granted permission to pick up the child on **any day** Dublin Latchkey is in session, unless court documents specify otherwise. If Dublin Latchkey receives a completed permission to pick up list, you will be deemed to have agreed upon the list, and Dublin Latchkey will release to any person who is on the list on any day.

Again, joint custody parents must agree on the list before the list is returned to Dublin Latchkey.

Bullying Policy

Bullying behavior will not be tolerated at Dublin Latchkey. There are different conditions and circumstances that need to occur to define actions and situation as bullying. Children do joke around with one another by calling each other names or even engaging in physical contact as times. These are still not yet labeled as bullying. The difference lies in the relationship of the victim and their bully, as well as frequency and intent of interactions. REPEATED actions from one child towards another are considered bullying. Bullying and harassment of any kind will cause for going through behavioral slip process.

Physical

A staff member will destroy any unused medication unclaimed by the parent with a witness when a prescription is no longer to be administered or at the end of a school year.
3. No employee who is authorized by Dublin Latchkey to administer a prescribed drug and who has a copy of the most recent statement would be liable to civil damages for administering or failing to administer the drug, unless the staff member acted in a manner that would constitute "gross negligence or reckless misconduct."
4. Children shall be permitted to carry and use, as necessary, an asthma inhaler, provided the child has prior written permission from his/her parent and physician and has submitted appropriate form. The physician must represent in writing that the immediate administration of such medication during bronchial spasm(s) is medically indicated in that delay in such administration could have significantly adverse medical consequences. Any parent or guardian requesting that a child carry and use an asthma inhaler shall release from liability and indemnify Dublin Latchkey and its employees for damages or injury resulting from use, misuse or nonuse of such medication, except if Dublin Latchkey or its employees are grossly negligent or engage in reckless misconduct. The child should use the inhaler under supervision of a staff member and the incident will be documented on the medication log.

Behavior Guidance, Management and Social Development

Our student behavior management system involves the use of positive reinforcements, modeling and discipline to assist our students in making better choices, understanding the rules and safety limits that keep them safe in our program. Along with keeping our students safe, our practices help shape students behavior in learning needed social skills and interpersonal regulation.

All employees of Dublin Latchkey are responsible for ensuring that reasonable, developmentally appropriate child guidance and management techniques are followed. The following techniques are used in disciplining the children:

1. Setting clear limits
2. Redirecting the child to an appropriate activity
3. Showing children positive alternatives
4. Modeling the desired behavior
5. Reinforcing and praising appropriate behavior
6. Encouraging children to control their own behavior, cooperating with others and solving problems by talking things out
7. Space separation from problem situations
8. Reviewing the reasons why children are separated and explaining the behavior that is expected

According to Licensing Rule 5101:2-12-19, when children's behavior is unacceptable, the childcare staff member shall not:

- Abuse, endanger or neglect children
- Utilize cruel, harsh, unusual or extreme techniques
- Utilize any form of corporal punishment
- Delegate children to manage or discipline other children
- Use physical restraints on a child
- Restrain a child by any means other than holding children for a short period of time, such as in a protective hug, so that the children may regain control
- Place children in a locked room or confine children in any enclosed areas
- Confine children to equipment such as cribs or high chairs
- Humiliate, threaten or frighten children
- Subject children to profane language or verbal abuse
- Make derogatory or sarcastic remarks about children or their families
- Punish children for failure to eat or sleep or for toileting accidents
- Withhold any food (including snacks and treats), rest or toilet use
- Punish an entire group of children due to the unacceptable behavior of one or a few
- Isolate and restrict children from all activities for an extended period of time.

Student Behavior Management Policy

Physical assistance and/or intervention may be used to prevent a child from hurting others, himself or attempting to leave the Dublin Latchkey area unattended. When a child's behavior disrupts a Latchkey activity or threatens the safety of the child or others, the teacher will approach the child, attempt to redirect the child and offer a solution to the problem while remaining fair and consistent. If this approach is ineffective, the teacher may

direct the child to move, or use physical assistance to guide the child to a safe and quiet place of isolation and/or time-out. Seclusion will always be separate from peers, but within sight and hearing distance of the Dublin Latchkey personnel. Physical punishment shall never be used. Once the child has re-established a neutral disposition he/she will be integrated back into the days' activities.

Incident Reports

A "behavioral slip" will be used for chronically disruptive or unsafe behavior. This slip shall be given to the parents for discussion and a signature. Based on the severity of the infraction, the parents may be contacted by the program Admin Director to discuss the issues and establish a written behavioral plan. Prior to the student's return to the program, a parent signature is required to acknowledge receipt of the behavior plan. A signature does not necessarily evidence acceptance of the behavioral plan the parent, only acknowledgement of its existence. "Chronically disruptive or unsafe behavior" is defined as receipt of three (3) behavior slips and may result in dismissal of the program. Examples include but are not limited to: causing a physical injury, taunting, name-calling, encouraging others to exclude a child from a group, threatening physical harm, and damaging property. If a child cannot safely participate in the Latchkey environment using interventions and supports provided via a behavior plan, a parent may be asked to find alternative childcare.

Immediate Suspension or Dismissal

Dublin Latchkey has a zero tolerance policy for violent, threatening, and/or disruptive behavior from children or parents. Examples of such behavior include but are not limited to yelling, use of vulgar or profane language, belligerent behavior, threats of physical harm toward staff or children, or the actual infliction of physical harm to another. This type of behavior shall result in the child's immediate disenrollment from the Latchkey program. In some circumstances, immediate suspension or dismissal may be deemed necessary due to behavior that jeopardizes their own or others safety. Suspension or dismissal is at the sole discretion of Dublin Latchkey.

No reimbursement of fees paid shall be given for the days a child's suspension or dismissal. A child who has been dismissed from the program, for any reason, may not seek entrance in future years.

School Site Emergencies, Drills and Procedures

Weather Alert Procedures (posted on Trifold Board): Dublin Latchkey ensures that each school site will conduct monthly safety drills consisting of fire drills, tornado drills, and emergency/ lock down drills. Staff will have the cell phone available at all times for emergencies.

Fire Drills

A fire escape plan is posted on site at all times in each location. The plan will show all suggested routs and exist in case of fire. Fire drills will be documented and signed by Latchkey staff and posted. In case of fire, children and staff will evacuate building with the most direct rout. Latchkey staff will notify proper authorities.
